Education

Bachelor of Technology (Artificial Intelligence), Mahindra University Aug 2023 – Present
Machine learning, Deep Learning, Data Structures, Computer Networks, Operating Systems.

CGPA: 7.5/10 (till 5th semester)

12th Grade, Indus Universal School, Hyderabad June 2021 – May 2023

Percentage: 78 %

10th Grade, Indus Universal School (CBSE), Hyderabad May 2020 – June 2021

Percentage: 80 %

Projects

Multilingual Video Dubbing & Subtitle Generation System Aug 2025 - Dec 2025

Mahindra University

Built a multilingual dubbing pipeline integrating speech recognition, machine translation, and text-to-speech to generate synchronized, speaker-aware audio across multiple languages.

Multi-Step Regression & Classification for Employee Attrition Jan 2025 - May 2025

Mahindra University

Developed machine learning models to predict employee attrition probability and estimate salary using regression techniques, incorporating feature engineering and performance evaluation metrics. Simulated expected salary loss through probability-weighted modeling to support data-driven HR decision-making

Internship/Training Programs

AI Intern Dec 2025 - Jan 2026

Contenterra Software Private Limited

Worked on developing an AI-powered maintenance assistant for a real-time manufacturing monitoring system, involving integration of live equipment data, dynamic parameter handling, and creation of context-aware prompts, while contributing across both frontend and backend development.

Academic Internship Jan 2025 - May 2025

Mahindra University

Gained hands-on experience in implementing supervised and unsupervised machine learning models, including data preprocessing, feature engineering, and model evaluation techniques.

Skills

Computational tools/skills: C, Python, Java, Matlab, MySQL

Design software: Solid works, AutoCAD

Awards and Achievements

Python for Data Science Certification — Coursera

Interests/Extra-curricular activities

Interests: Sustainable development and green technology solutions

Social Service Initiatives: Contributed to sustainability and eco-friendly initiatives
